January & February 2020

Fall in love with a new story!

Last month at the library we...

...held our first Photography and Sticker Club meetings. Photography Club was well attended and those who joined us stayed until closing time, and even then they didn't want to leave! For Sticker Club we have two words - "Baby" and "Yoda." We're going to have fun with all the stickers we made! In January we also participated in two outreach events - one at the Marblemount Eagle Festival and the other in Concrete for the Boys & Girls Club Parents' Night. Check out our website and social media for pics!

This month at the library we will...

...see the return of Photography and Sticker Club on the 4th and 18th respectively, as well as hold the Lego Club meeting we had to reschedule due to weather. That will be on the the 12th at 3:30pm. February 21st is International Language Day, and as such we'll be holding a special Sign Language Club meeting at 4pm with special guests representing other languages! February is Love Your Library Month and we'll be celebrating from the 1st to the 29th (its a leap year!) by displaying the hearts our patrons make listing the reasons they love the library. The big news, however, is our Harry Potter Day on February 5th. We'll have lots of activities and prizes, so checkout our website for all the details!
