Summer Reading Program 2022 Children's Reading Log

Our goal is to read as many days this summer as possible!

For every day that you read, even just for five minutes, place a sticker on the calendar! (If you run out of stickers, you can also mark the day however you like!) At the end of the month, turn in your reading log to a library staff member, who will give you a raffle ticket entry for a GRAND PRIZE, and, for June only, a FREE BOOK, donated by the Friends of the Upper Skagit Library!

Want to write down what books you've read?
